Principal's Message

Finding joy in learning is one of our hopes for our young people at St John Bosco School. How we do this as educators is by providing rich learning environments that assist our children discover who they are as learners. As educators we co-construct learning alongside the children as they journey through the lines of inquiry and self-discovery. We explore concepts intentionally, while also allowing time for children to explore and make their own discoveries in all learning areas.

Recently I was privileged to be part of the Year 5-6 children's presentations on their vision for St John Bosco School. The presentations were a culmination of many weeks of inquiry learning, centred on their individual hopes and dreams for our school. The inquiry learning was initiated by a discussion with myself outlining the Master Planning process and a discussion with our architect, Pino. The children were excited and full of ideas on what needed to be added and improved upon to make our school shine! The passion and excitement

from each child as they presented their project to the senior unit was inspiring. The children had great delight in explaining the process of learning, the highlights along the way but also the problems they encountered how collaborating together as a team they were able to overcome the hiccups in their learning journey. I look forward to leading a community with many exciting additions to our community all initiated by our children. Japanese gardens, frog ponds, cafes, soccer arenas, STEM rooms and dance studios it will be interesting to see how our architect incorporates the children's ideas in our Master Plan.

We have two long standing members of our community who have decided to resign their positions from St John Bosco School. Louise Kennewell one of our valued members of the Administration team will leave at the end of the term. I am sure you would agree with me it is a huge loss for the St John Bosco community, Louise is a hardworking and passionate employee. We wish Louise success and happiness with her business, I am sure she will keep connected with our community.

Paul Thomas has been on leave from St John Bosco School for the past 18 months. Although I have not worked with Paul, I have heard many inspiring stories of his work as a teacher for over 18 years in the St John Bosco community. We wish Paul success with his future endeavours. Between Louise and Paul they have 36 years of dedicated service to St John Bosco School, thank you.

The uniform shop located in our school grounds will be closing down, with the last available day to purchase on Tuesday 16th June. Devon Clothing invites families to purchase their school uniform items at the Devon Clothing Uniform Shop in Edwardstown or online orders are available with delivery directly to your home or to the school.

On Monday 7th June we have a Pupil Free Day. If you require care please contact Charlie Willoughby our Acting OSHC Director to secure your child's position at OSHC. Leanna Vita is currently on leave travelling around the Northern Territory. We wish Leanna a restful break as I'm sure she enjoys many exciting adventures. Leanna will return to OSHC on Tuesday 8th June.

A big thank you to the Parents and Friends for organising our recent Pizza Special Lunch. The children and staff certainly enjoyed the treat. I would also like to thank Charlotte, Eunice, Amelia, Tian and Mahi for organising our Crazy Sock Day. As a community we raised \$300. Congratulations!

Enjoy the winter season, and every blessing it brings.
